ARTICLE II

COVENANTS, CONDITIONS AND RESTRICTIONS

2.1 ADMINISTRATION; ARCHITECTURAL REVIEW COMMITTEE. The Architectural Review Committee, whose members shall be appointed by the Declarant during the Development Period and thereafter by the Board of Directors of the Association (the "Architectural Review Committee"), shall have all the rights, powers and duties granted to it pursuant to this Declaration. The Architectural Review Committee shall at all times be comprised of at least three (3) members. At any time, or from time to time, during the Development Period, the initial members of the Architectural Review Committee may be replaced for any reason (including death or resignation) with other individuals selected by the Declarant in its sole discretion. All questions shall be decided by a majority of the members of the Architectural Review Committee, and such majority shall be necessary and sufficient to act in each instance and on all matters. Each member of the Architectural Review Committee, now or hereafter appointed, shall act without compensation for services performed pursuant to this Declaration. The Declarant hereby grants to the Architectural Review Committee, its successors and assigns, the right to establish architectural design criteria for the Community (the "Design Guidelines") and rules and regulations pertaining to the use of the Lots, which shall be made available to all members, and to waive such portion or portions of the Covenants numbered 2.4

LIDER 8294 FOLIO 695

through 2.23 of this Article II as the Architectural Review Committee, in its sole discretion, may deem advisable and in the best interests of the Community.

2.2 ARCHITECTURAL REVIEW.

(a) No Structure (other than construction or development by, for or under contract with Declarant or Builder) shall be constructed on any Lot nor shall any addition (including awnings and screens), change, or alteration therein or thereto (including any retreatment by painting or otherwise of any exterior part thereof unless the original color and material are used) (collectively, "Alterations") be made to the exterior of any Structure and/or contour of any Lot, nor shall any work be commenced or performed which may result in a change of the exterior appearance of any Structure until the plans and specifications, showing the nature, kind, shape, dimensions, material, floor plans, color scheme, location, proposed topographical changes, the proposed construction schedule, and a designation of the party or parties to perform the work, have been submitted to and approved in writing by the Architectural Review Committee, its successors and assigns, and until all necessary permits and any other governmental or quasi-governmental approvals have been obtained. The approval of the Architectural Review Committee of any Structure or Alterations shall in no way be deemed to relieve the Record Owner of any Lot from its obligation to obtain any and all permits and approvals necessary for such Structure or Alterations.

(b) The Architectural Review Committee shall consider applications for approval of plans and specifications upon the basis of conformity with this Declaration, applicable law and the design guidelines, if any, and shall be guided by the extent to which such proposal will insure conformity and harmony in exterior design and appearance, based upon, among other things, the following factors: the quality of workmanship; nature and durability of materials; harmony of external design with existing structures; choice of colors; changes in topography, grade elevations and/or drainage; the ability of the party or parties designated by the Record Owner to complete the Structure or Alterations proposed in accordance with this Declaration, including, without limiting the foregoing, factors of public health and safety; the effect of the proposed Structure or Alterations on the use, enjoyment and value of other neighboring properties, and/or on the outlook or view from adjacent or neighboring properties; and the suitability of the proposed Structure or Alterations with the general aesthetic appearance of the surrounding area.

(c) The Architectural Review Committee shall have the right to refuse to approve any such plans or specifications, including grading and location plans, which are not suitable or desirable in its opinion, for aesthetic or other considerations. Written requests for approval, accompanied by the foregoing described plans and specifications or other specifications and information as may be required by the Architectural Review Committee from time to time shall be submitted to the Architectural Review Committee by registered or certified mail or in person. The Architectural Review Committee shall make reasonable efforts to approve or disapprove any plans within sixty (60) days of receipt thereof; provided, however, that plans and specifications which have not been approved or rejected within one hundred twenty (120) days shall be deemed approved. Notwithstanding the foregoing, all approvals must be in writing. Approval of any particular plans and specifications or design shall not be construed as a waiver of the right of the Architectural Review Committee to disapprove such plans and specifications, or any elements or features thereof, in the event such plans and specifications are subsequently submitted for use in any other instance. The Architectural Review Committee shall have the right to charge a reasonable processing fee for such requests, which shall be retained by the Association and not the Architectural Review Committee.

(d) Construction of Alterations in accordance with plans and specifications approved by the Architectural Review Committee pursuant to the provisions of

LIBER 8294 FOLIO 696

this Article II shall be commenced within three (3) months following the date of approval and completed within six (6) months of commencement of the Alterations, or within such other period as the Architectural Review Committee shall specify in its approval. In the event construction is not commenced within the period aforesaid, then approval of the plans and specifications by the Architectural Review Committee shall be conclusively deemed to have lapsed and compliance with the provisions of this Article shall again be required. After construction, all Structures and Alterations shall be maintained continuously in strict conformity with the plans and specifications so approved and all applicable laws.

(e) If any Structure is altered, erected, placed or maintained on any Lot other than in accordance with approved plans and specifications therefor and applicable law, such action shall be deemed to be a violation of the provisions of this Declaration and, promptly after the Association gives written notice thereof to its Record Owner, such Structure shall be removed or restored to its condition prior to such action, and such use shall cease, so as to terminate such violation. If within thirty (30) days after having been given such notice, such Record Owner has not taken reasonable steps to terminate such violation, any agent of the Association may enter upon such Lot and take such steps as are reasonably necessary to terminate such violation. Such Record Owner shall be personally liable to the Association for the cost thereof, to the same extent as he is liable for an assessment levied against such Lot, and, upon the failure of the Record Owner to pay such cost within ten (10) days after such Record Owner's receipt of written demand therefor from the Association, the Association may establish a lien therefor upon such Lot in accordance with and subject to the provisions of this Declaration applicable to an assessment lien.

(f) Any member of the Architectural Review Committee, upon the occurrence of a violation of the provisions of this Declaration, and after the Association or the Architectural Review Committee gives written notice thereof to the Record Owner of the applicable Lot, at any reasonable time, may enter upon and inspect any Lot and the exterior of any Structure thereon to ascertain whether the maintenance, construction or alteration of such Structure or Alteration are in accordance with the provisions hereof.

(g) Upon completion of construction of any Structure or Alteration in accordance with the provisions hereof, the Architectural Review Committee, upon request of the applicant shall issue a Certificate of Compliance ("Certificate") identifying such Structure and the Lot on which such Structure is placed, and stating that the Structure has been completed pursuant to the terms hereof. The Certificate shall be retained in the records of the Association. Any Certificate issued pursuant hereto shall be prima facie evidence of the facts therein stated, and as to any title insurer, such Certificate shall be conclusive evidence that all Structures on the Lot noted in the Certificate complies with the provisions hereof.

2.3 LAND USE. The Lots, except as hereinafter provided, shall be used for private and residential purposes only and in no event shall any dwelling be used at any time for any commercial purpose, provided, however, that the foregoing shall not preclude "No-impact home based businesses" as more fully described below. None of the Lots shall at any time be used for apartments or other types of multiple housing units; it being the intention of the Declarant that each and every one of the Lots be used solely for one (1) single family dwelling, and no other purposes, except such purposes as may be specifically reserved in the succeeding sections of this Declaration.

Notwithstanding anything herein to the contrary, pursuant to Section 11 B-111.1 of the Real Property Article of the Annotated Code of Maryland (the "Code"), "No-impact home-based businesses" (as described herein and in the Code) are not allowed on any Lot; provided, however, to the extent this prohibition cannot be enforced under applicable Maryland law, then

LIBER 8294 FOLIO 697

No-impact home-based businesses shall be permitted upon the Lots subject to the following requirements:

(a) Owners shall notify the Association before operating a No-impact home-based business.

(b) No-impact home-based businesses are expressly prohibited in any Common Areas.

(c) Such additional requirements as may be specified by the Board of Directors of the Association, to the extent permitted by applicable law. The foregoing provisions of this Section are intended to be a restatement of the provisions of Section 11B-111.1 of the Code, and any future amendments or modifications thereto shall be deemed incorporated by reference herein as a part hereof.

For purposes hereof, a "No-impact home-based business" means a business that:

(a) Is consistent with the residential character of the dwelling;

(b) Is subordinate to the use of the dwelling for residential purposes and requires no external modifications that detract from the residential appearance of the dwelling;

(c) Uses no equipment or process that creates noise, vibration, glare, fumes, odors, or electrical or electronic interference detectable by neighbors or that causes an increase of common expenses that can be solely and directly attributable to a No-impact home-based business; and

(d) Does not involve use, storage, or disposal of any grouping or classification of materials that the United States Secretary of Transportation or the State of Maryland or any local governing body designated as a hazardous material.

2.4 **SWIMMING POOLS.** No above-ground pools shall be permissible on any Lot; provided, however, that the foregoing shall not apply to in-ground pools, spas or Jacuzzis if the same have been approved in advance by the Architectural Review Committee in its sole and absolute discretion, in accordance with the provisions hereof.

2.5 **TEMPORARY STRUCTURES.** No Structure of a temporary character, trailer, basement, tent, shed, shack, garage, or other outbuildings shall be used on any Lot at any time as a residence, either temporarily or permanently. Nothing in this Declaration shall be deemed to prohibit an Owner from placing upon its Lot reasonably sized greenhouses approved in advance by the Architectural Review Committee. In addition, portable basketball apparatus may be located on a Lot if the Owner of said Lot obtains the prior written approval of the Architectural Review Committee as provided herein and further provided that such apparatus is stored in a garage when not in use. Neither portable nor permanent basketball apparatus shall be located in any Common Areas, private/common driveways or roads within the Community.

2.6 **REAL ESTATE SALES OR CONSTRUCTION OFFICE.** Notwithstanding anything contained herein to the contrary, a real estate sales or construction office or a trailer and related signs, may be erected, maintained and operated on any Lot, or in any Structure now or hereafter located thereon, provided such office or trailer, and signs, are used and operated only in connection with the development and/or initial sale of any Lot or Lots, and/or the initial construction of improvements on any Lot now or hereafter laid out or created in the Community. Nothing herein, however, shall be construed to permit any real estate sales or construction

LIBER 8294 FOLIO 698

office, trailer, or sign after such initial development, sales, and/or construction is completed. Except as expressly permitted herein above, neither any part of any Lot, nor any improvement now or hereafter erected on any Lot, shall be used for any real estate sales or construction office or trailer, nor shall any sign used in conjunction with such uses be erected.

2.7 **CLOTHES LINE.** No exterior clothes dryer, clothes pole or similar equipment shall be erected, installed or maintained on any Lot, nor shall articles of clothing, bedding, or similar items be hung outside.

2.8 **TRAFFIC VIEW.** No Structure, landscaping, shrubbery or any other obstruction shall be placed on any Lot so as to block the clear view of traffic on any streets, nor shall any planting be done on any corner Lots closer than twenty (20) feet from either street line that will exceed three (3) feet in height (except shade trees which shall be trimmed so that a clear view may be maintained to the height of eight (8) feet).

2.9 **FRONT LAWN.** The area within the front of a dwelling shall be kept only as a lawn for ornamental or decorative planting of grass, trees and shrubbery.

2.10 **FENCES.** Other than fences initially constructed by Declarant, Builder or approved by the Architectural Review Committee in accordance with the provisions of this Declaration, no fence shall be placed or kept on a Lot. The Architectural Review Committee may, from time to time, designate one (1) or more fence types as "standard designs" and require all Owners to solely use such standard designs.

2.11 **NEAT APPEARANCE.** Except for any maintenance and repair which the Association may be obligated to perform, Owners shall, at all times, maintain their Lots and all appurtenances thereto in good repair and in a state of neat appearance, including but not limited to, the watering all lawns and yards, and the painting (or other appropriate external care) of all Structures on the Lot, all in a manner and with such frequency as is consistent with good property management and maintenance. If, in the opinion of the Architectural Review Committee, any Record Owner fails to perform the duties imposed hereunder, the Association, on affirmative action of a majority of the Board of Directors, after fifteen (15) days written notice to such Record Owner to remedy the condition in question, and upon failure of the Record Owner to remedy the condition, shall have the right (but not the obligation), through its agents and employees, to enter upon the Lot in question and to repair, maintain, repaint and restore the Lot and the improvements or Structures thereon, and the cost thereof shall be a binding, personal obligation of such Record Owner, as an additional assessment on the Lot.

2.12 **NUISANCES.** No noxious or offensive trade or activity shall be carried on upon any Lot, nor shall anything be done or placed thereon which may become an annoyance or nuisance to the neighborhood or any adjoining property owners. Without limiting the generality of the foregoing, no speaker, horn, whistle, siren, bell, amplifier or other sound device, except such properly maintained and operated devices as may be used exclusively for security purposes, shall be located, installed or maintained upon the exterior of any dwelling or upon the exterior of any other Structure constructed upon any Lot. No snowmobiles, go-carts, motorbikes, trail bikes, other loud-engine recreational vehicles or skateboard ramps shall be run or operated upon any Lot or upon any roadways serving the Property

2.13 **ANIMALS.** No animals, livestock, or poultry of any kind, including pigeons, shall be raised, bred or kept on any Lot, except that dogs, cats or any household pets, may be kept, provided that they are not kept, bred or maintained for any commercial purpose, and provided that they are kept so as to avoid becoming a nuisance to the neighborhood or to any adjoining property owners, and do not roam unattended on the Property. Household pets shall not include miniature pigs, horses or other hybrid livestock or farm animals. Pets shall be

LIBER 8294 FOLIO 699

registered, licensed and inoculated as required by law. Owners shall be responsible for the immediate clean-up and removal of their pets' waste from any other Lot and the Common Areas.

2.14 VEHICLES.

(a) As used herein,

(i) "Vehicle" means a Commercial Vehicle, Motor Vehicle, Recreational Vehicle, automobile, Large Truck, other truck or van (in each case, as defined by the Maryland Motor Vehicle Administration or by common usage and practice), trailer, motorcycle, bicycle, mo-ped, or other powered or unpowered vehicle.

(ii) "Commercial Vehicle" means any (1) automobile, truck or van used or designed principally for commercial, business or industrial use, or (2) taxicab or other Vehicle displaying a commercial logo, message or identification.

(iii) "Inoperable Vehicle" means any Commercial, Recreational or other Vehicle which is a junk Vehicle, or is inoperable, or lacks current, valid registration plates, or would not pass applicable state vehicular inspection criteria.

(iv) "Large Truck" means any truck or van (in each case, as defined by the Maryland Motor Vehicle Administration or by common usage and practice), or self-propelled farm or construction vehicle, which is more than 24 feet long, or has a capacity exceeding three-quarters ton.

(v) "Motor Vehicle" means a vehicle required by law to be registered with the Maryland Motor Vehicle Administration or another governmental authority or entity, or propelled by a motor.

(b) No Vehicle shall be parked or stored in the Community other than in accordance with the provisions hereof; provided, however, any Vehicle may be kept (1) in a fully enclosed garage located on a Lot, or (2) elsewhere if expressly permitted by this Declaration, or (3) on a public road if permitted by law.

(c) Unless permitted by any other provision of this Declaration, no Inoperable Vehicle, Large Truck or Recreational Vehicle shall be parked or stored anywhere in the Community.

(d) Unless otherwise allowed under the provisions of this Declaration, no Commercial Vehicle may be parked or stored anywhere in the Community; provided, however, nothing herein shall prohibit the parking of Commercial Vehicles on a parking area or driveway on any Lot while providing maintenance, repair or installation services on, or making a delivery to or from, such Lot.

(e) No automobile or other Vehicle shall be constructed, restored or repaired on a Lot or Common Areas at a location visible from outside a garage or other building thereon, other than minor repairs such as oil, filter, battery, belt, wiper, light and tire changes, or emergency repairs which cannot reasonably be performed elsewhere, in each case if performed

LIBER 8294 FOLIO 700

(1) on a Vehicle owned by an Owner of, and customarily kept on, such Lot or Common Areas,
(2) using all appropriate environmental safeguards, and (3) in a continuous and timely manner.

(f) No person shall operate a Vehicle in the Community other than in a safe and quiet manner and with due consideration for the rights of all Owners and occupants, or without holding a valid driver's license.

(g) Nothing in this Declaration shall prohibit or restrict the Declarant or Builder during the Development Period from operating, parking, maintaining or otherwise using a Vehicle anywhere in the Community.

2.15 LIGHTING AND WIRING. The exterior lighting on Lots shall be directed downward and shall not be directed outward from, or extend beyond, the boundaries of any Lot. All wiring on any Lot shall be underground.

2.16 ANTENNAE. No radio aerial, antenna or satellite or other signal receiving dish, or other aerial or antenna for reception or transmission, shall be placed or kept on a Lot outside of a dwelling, except on the following terms:

(a) An Owner may install, maintain and use on its Lot one (or, if approved, more than one) Small Antenna (as hereinafter defined) in the rear yard of a dwelling on the Lot, at such location, and screened from view from adjacent dwellings in such a manner and using such trees, landscaping or other screening material, as are approved by the Architectural Review Committee, in accordance with Article II. Notwithstanding the foregoing terms of this subsection, (i) if the requirement that a Small Antenna installed on a Lot be placed in the rear yard of a dwelling would impair such Small Antenna's installation, maintenance or use, then it may be installed, maintained and used at another approved location on such Lot where such installation, maintenance or use would not be impaired; (ii) if and to the extent that the requirement that such Small Antenna be screened would result in any such impairment, such approval shall be on terms not requiring such screening; and (iii) if the prohibition against installing, maintaining and using more than one (1) Small Antenna on a Lot would result in any such impairment, then such Owner may install on such Lot additional Small Antenna as are needed to prevent such impairment (but such installation shall otherwise be made in accordance with this subsection).

(b) In determining whether to grant any approval pursuant to this Section, neither Declarant, the Architectural Review Committee nor the Board of Directors shall withhold such approval, or grant it subject to any condition, if and to the extent that doing so would result in an impairment.

(c) As used herein, (i) "impair" has the meaning given it in 47 Code of Federal Regulations Part 1, section 1.4000, as hereafter amended; and (ii) "Small Antenna" means any antenna (and accompanying mast, if any) of a type, the impairment of the installation, maintenance or use of which is the subject of such regulation. Such antennae are currently defined thereunder as, generally, being one (1) meter or less in diameter or diagonal measurement and designed to receive certain types of broadcast or other distribution services or programming.

2.17 SUBDIVISION. No Lot shall be divided or subdivided and no portion of any Lot (other than the entire Lot) shall be transferred or conveyed for any purpose; provided, however, this shall not prohibit transfers of parts of Lots between adjoining Lot owners where the transfer is not for the purpose of creating a new building Lot. The provisions of this subsection shall not apply to the Declarant and, further, the provisions hereof shall not be

LIBER 8294 FOLIO 701

construed to prohibit the granting of any easement or right-of-way to any person for any purpose.

2.18 **SIGNAGE.** Other than signs deemed necessary and appropriate by the Declarant, Builder or their respective successors and assigns, and excluding directional signs, signs for traffic control or safety or customary "for sale" signs which are promptly removed after sale, no other type of advertising, for sale or display signs of any character shall be placed or maintained on any part of the Property or on any dwelling or Structure. In addition to the foregoing, no candidate sign (as such term is defined in Section 11B-111.2 of the Real Property Article, Annotated Code of Maryland, 1996 Repl. Volume, as the same may be amended from time to time), or a sign that advertises the support or defeat of any proposition, may be displayed in the Common Areas; any permissible candidate sign shall be displayed in accordance with provisions of federal, State and local law; and such signage may only be displayed no more than 30 days before the primary election, general election, or vote on the proposition and no more than 7 days after the primary election, general election or vote on the proposition.

2.19 **LEASE AGREEMENTS.** All lease agreements with respect to any Lot or any Structure located thereon shall be in writing and submitted to the Board of Directors of the Association for approval. The minimum term of all lease agreements shall be one (1) year, and shall state that the lease agreement shall be subject to this Declaration, Articles of Incorporation, and By-Laws of the Association. Current copies of any lease (and any extension) must be supplied to the Association. Record Owners who do not reside on their Lot must provide current addresses and phone numbers to the Association.

2.20 **FOREST CONSERVATION AND FOREST BUFFER EASEMENT AREAS.** Any portion of the Common Areas or Lots designated and shown on any recorded subdivision plat of all or a portion of the Property as forest conservation easement and forest buffer easement (collectively, the "FC/FB Areas") shall remain in a natural, undisturbed state and will not be developed, or improvements erected thereupon by the Declarant, its successors or assigns, the Association, or any Record Owner, except those of a minor nature necessary for such intended use and permitted by applicable law. All Owners shall be subject to the provisions of any recorded declaration of covenants, conditions and restrictions (the "Forest Conservation and Forest Buffer Declaration") pertaining to the FC/FB Areas. Each Owner agrees to provide Declarant, its agents and any other party to the Forest Conservation and Forest Buffer Declaration full access to their Lot at any time for the purposes of complying with the Forest Conservation and Forest Buffer Declaration and to otherwise comply with all provisions of the Forest Conservation and Forest Buffer Declaration.

2.21 **TRASH AND OTHER MATERIALS.** No lumber, metals, bulk materials, refuse or trash shall be kept, stored or allowed to accumulate on any Lot, except (a) building material during the course of construction of any approved dwelling or other permitted Structure, and (b) firewood, which shall be cut and neatly stored at least six (6) inches off the ground and twelve (12) inches away from any Structure. No burning of trash shall be permitted on any Lot. If trash or other refuse is to be disposed of by being picked up and carried away on a regular and recurring basis, containers may be placed in the open in accordance with local law or on any day that a pick-up is to be made at such place on the Lot as to provide access to persons making such pick-up. At all other times such containers shall be stored in such a manner so as not to be visible from the roadway or the other Lots or Common Areas. Trash shall be disposed of in hard rubber or plastic containers covered with a lid.

2.22 **NON-INTERFERENCE WITH UTILITIES.** No Structure, planting or other material shall be placed or permitted to remain upon any Lot which may damage or interfere with any easement for the installation or maintenance of utilities, or which may change, obstruct

LIBER 8294 FOLIO 702

or retard direction or flow of any drainage channels. No poles and wires for the transmission of electricity, telephone and the like shall be placed or maintained above the surface of the ground on any Lot.

2.23 TREE REMOVAL. No Record Owner shall have the right to remove any of the healthy growing trees located on any of the Lots within the subdivision except upon Architectural Review Committee approval.

2.24 FAMILY DAY CARE. Notwithstanding anything contained herein to the contrary, no Owner may use his or her residence as a "family day care home" ("Home") (as defined in Section 11B-111.1); provided, however, to the extent this prohibition is not enforceable under applicable Maryland law, then an Owner may operate a Home; subject to the following requirements:

(a) The Owner or day care provider (as defined in Section 11B-111.1) operating the Home shall be registered with and have a license issued by the Department of Human Resources, in accordance with the registration and licensing provisions set forth in Title 5, Subtitle 5 of the Family Law Article. The Owner or day care provider shall furnish a copy of the license to the Architectural Review Committee prior to establishing and operating the Home and upon each renewal thereof.

The increased insurance costs shall be considered an assessment against the Lot, and may be collected under the Maryland Contract Lien Act.

(d) The Owner or day care provider shall not use any of the Common Areas for any purpose directly or indirectly relating to the operation of the Home.

ARTICLE III

PROPERTY SUBJECT TO THIS DECLARATION; ANNEXATION AND DEANNEXATION

3.1 PROPERTY. The real property which is, and shall be, transferred, held, sold, conveyed and occupied subject to this Declaration is located in the Community, and is described on Exhibit "A" attached hereto, all of which real property is referred to herein as the "Property".

3.2 ADDITIONS TO PROPERTY.

(a) The Declarant, its successors and assigns, shall have the right for seven (7) years from the date hereof to bring within the scheme of this Declaration additional property within the Community (the "Additional Property"), without the consent of the Class A members of the Association, which Additional Property may include Lots and/or Common Areas.

LIBER 8294 FOLIO 703

(b) The additions authorized under this subsection shall be made by filing a supplemental declaration of record with respect to the Additional Property which shall extend the scheme of the Declaration to such Additional Property, and which Additional Property shall thereupon become part of the Property. Upon the filing of any supplemental declaration, Record Owners of Additional Property shall be subject to the same obligations and entitled to the same privileges as apply to the Record Owners of the Property. Such supplemental declaration may contain such complementary additions and modifications to the Declaration as may be necessary to reflect the different character, if any, of the Additional Property not inconsistent with the scheme of this Declaration.

3.3 DEANNEXATION.

(a) Provided there are Class B members, the Declarant may deannex any property (excluding, however, any Common Areas conveyed to the Association by the Declarant) from the Property for a period of seven (7) years from the date of recordation of this Declaration. Such deannexed property shall no longer be subject to the covenants and restrictions of this Declaration except for any easements, rights, reservations, exemptions, power or privileges reserved to the Declarant pursuant to this Declaration which burden the deannexed property for the benefit of any property which is subject to the Declaration. Such deannexation shall be made by recording a supplementary declaration among the Land Records of the County, withdrawing the effect of the covenants and restrictions of this Declaration from the deannexed property. Such deannexed property may be utilized by the Declarant, or any successor, assign or transferee thereof, for any lawful purpose or use.

ARTICLE IV

MEMBERSHIP AND VOTING RIGHTS IN THE ASSOCIATION

4.1 MEMBERSHIP. Every Record Owner of a Lot that is subject to assessment shall become and be a member of the Association. Membership shall be appurtenant to and may not be separated from ownership of any Lot that is subject to assessment.

4.2 CLASSES OF MEMBERSHIP.

(a) The Association shall have two (2) classes of voting membership:

(i) Class A. Except for the Declarant and Builder, each of whom shall initially be Class B members, the Class A members shall be all Record Owners holding title to one (1) or more Lots; provided, however, that any Mortgagee or any other person or entity who holds such interest solely as security for performance of an obligation shall not be a Class A member solely on account of such interest. Each Class A member shall be entitled to one (1) vote per Lot, for each Lot owned by it, in all proceedings in which action shall be taken by members of the Association.

(ii) Class B. The Class B members shall be the Declarant and Builder. The Class B members shall be entitled to ten (10) votes per Lot for each Lot owned by it, in all proceedings in which actions shall be taken by members of the Association.

(b) If more than one (1) person, firm, corporation, trustee, or other legal entity, or any combination thereof, holds the record title to any Lot, all of the same, as a unit, and not otherwise, shall be deemed a single member of the Association. The vote of any member comprised of two (2) or more persons, firms, corporation, trustees, or other legal entities, or any other combination thereof, shall be cast in the manner provided for in the Articles of Incorporation and/or By-Laws of the Association, or as the several constituents may

LIBER 8294 FOLIO 704

determine, but in no event shall all such constituents cast more than one (1) vote per Lot for each Lot owned by them.

4.3 **CONVERSION.** The Class B membership in the Association shall cease and be converted to Class A membership in the Association, upon the earlier to occur of: (i) December 31, 2010; (ii) at such time as the total number of votes entitled to be cast by Class A members of the Association equals or exceeds the total number of votes entitled to be cast by the Class B member of the Association; or (iii) upon the surrender of the Class B membership by the then Class B members on the books of the Association. If after such conversion Additional Property is made subject to the Declaration, then the Class B membership shall be reinstated until December 31, 2010, or such earlier time as the total number of votes entitled to be cast by Class A members again equals or exceeds the total number of votes entitled to be cast by the Class B members. The Declarant and Builder shall thereafter remain a Class A member of the Association as to each and every Lot from time to time subject to the terms and provisions of this Declaration in which the Declarant and Builder, as the case may be, then holds the interest otherwise required for Class A membership.

ARTICLE V

Specifically, none of the provisions of Article II concerning architectural control or use restrictions shall in any way apply to any aspect of the Declarant's or Builder's development or construction activities and notwithstanding any provisions of this Declaration, none of the Declarant's or Builder's construction activities or any other activities associated with the development, marketing, construction, sales management or administration of the Community shall be deemed noxious, offensive or a nuisance. (viii) Common Area Easements.

a. Utilities. The Declarant hereby expressly reserves unto itself and hereby grants to any utility company or governmental entity, to whom the Declarant may grant, convey, transfer, set over and assign the same, or any part thereof, the right to discharge surface water on and to lay, install, construct, and maintain, on, over, under or in those strips across land designated on the Plat, as "Drainage and Utility Easement," "Sewer Easement," "Drainage and Sewer Easement," "Open Space," "H.O.A. (ix) Maintenance Easements. Each Owner hereby grants an easement to the Association and its agents in order for the Association to perform any and all repair and maintenance of Lots which the Association is either required to perform hereunder or elects to perform pursuant to the provisions of this Declaration.

(b) Further Assurances. Upon written request of the Declarant, the Association and each Owner shall from time to time execute, acknowledge and deliver to the Declarant such further assurances of these reservations of rights and easements as may be requested.

(c) Duration and Assignment of Development Rights. The Declarant may assign its rights under this Section to, or share such rights with, one or more other persons, exclusively, simultaneously or consecutively. The rights and easements reserved by or granted to the Declarant pursuant to this shall continue for so long as the Declarant or its designees are engaged in development or sales, or activities related thereto, anywhere on the Property, unless specifically stated otherwise; provided, however, that the easements described in the following provisions of Section 5.2 (a) shall run in perpetuity: (i) c., (ii) b., (iii), (iv), (vii), (viii) a. and (ix).

LIBER 8294 FOLIO 707

These rights, powers and easements may be exercised by the Association, subject to any other provisions herein; provided, however, that the limitations on duration applicable to the Declarant shall not apply to the Association. If the Declarant or any Owner requests the Association to exercise its powers under this Section, the Association's cooperation shall not be unreasonably withheld, conditioned or delayed.

5.3 EASEMENT FOR UPKEEP. The Declarant hereby reserves unto itself and hereby grants to the Association, the managing agent and any other persons authorized by the Board of Directors, in the exercise and discharge of their respective powers and responsibilities, the right of access over and through any portion of the Property for purposes of upkeep of the Property, including, without limitation, the right to make inspections, correct any condition originating in a Lot or in the Common Areas threatening another Lot or the Common Areas, correct drainage, perform installations or upkeep of utilities, landscaping, retaining walls or other improvements located on the Property for which the Association is responsible for upkeep, or correct any condition which violates this Declaration. The agents, contractors, officers and directors of the Association may also enter any portion of the Property (excluding any improvement) in order to utilize or provide for the upkeep of the areas subject to easements granted in this Article to the Association. Each Owner shall be liable to the Association for the cost of all upkeep performed by the Association and rendered necessary by any act, neglect, carelessness or failure to comply with this Declaration for which such Owner is responsible pursuant to this Declaration, and the costs incurred by the Association shall be assessed against such Owner's Lot in accordance with Article VIII hereof.

5.4 EASEMENT FOR SUPPORT. To the extent that any portion of the Property now or hereafter supports or contributes to the support of any other portion of the Property, the former is hereby burdened with an easement for the lateral and subjacent support of the latter.

5.5 EASEMENT AND EMERGENCY ACCESS. The Declarant, on behalf of itself and its successors and assigns, hereby reserves unto itself and grants an easement to: (1) all police, fire, ambulance and other rescue personnel over and through all or any portion of the Property for the lawful performance of their functions during emergencies; and (2) the Association, over and through all Lots, if emergency measures are required in any Lot to reduce a hazard thereto or to any other portion of the Property. Such right and easement of use and enjoyment shall be appurtenant to each Lot, whether or not mentioned in the deed thereto. Any purported conveyance or other transfer of such rights and easements apart from the Lot to which such rights and easements are appurtenant shall be void.

5.7 VEHICLE AND PEDESTRIAN ACCESS. The Declarant hereby reserves to itself and Builder, for so long as Declarant or Builder are engaged in development or sales, or activities related thereto anywhere on the Property, and hereby grants to each other Owner and each person lawfully occupying a Lot a non-exclusive easement over all streets, walks and paths on the Common Areas for the purpose of vehicular or pedestrian access, ingress and egress, as appropriate, to any portion of the Property to which such person has the right to go, subject to any Rules and Regulations promulgated by the Association pursuant to this Declaration. Any purported conveyance or other transfer of such rights and easements apart from the Lot to which such right and easement are appurtenant shall be void.

LIBER 8294 FOLIO 708

5.8 **LIMITATIONS.** The rights and easements of enjoyment created hereby shall be subject (in addition to any easements granted or reserved in this Declaration or pursuant to the Articles of Incorporation and By-Laws of the Association) to all rights and powers of the Declarant, Builder and the Association when exercised in accordance with the other applicable provisions of such documents, including without limitation the Association's right to regulate the use of the Common Areas, to grant easements across the Common Areas, to dedicate portions of the Common Areas and to mortgage the Common Areas subject to the provisions of this Declaration.

5.9 **SALES OFFICE, ETC.** Nothing contained in this Declaration shall be construed to in any way limit the right of Declarant and Builder to use any Lot owned by Declarant or Builder, as the case may be, for the purpose of a construction office, sales office, and/or for model and display purposes and for the carrying out of the above activities, and/or storage compound and parking lot for sales, marketing, and construction.

The foregoing reservation by Declarant shall specifically include the right of ingress and egress and to conduct forest activities by Declarant (or any of its agents or employees) over any Lot in the Community, irrespective of whether or not the title to the Lot has been transferred to an Owner already residing on the Lot, and if ingress, egress and any forest activities are conducted by Declaration over, on and across a lot, no prior notice to the Owner shall be required.

5.11 **LOT LINES.** The Declarant, for itself, its successors and assigns, reserves the right to alter, amend, and change any Lot lines or subdivision plat prior to transfer of any Lot pursuant to a recorded subdivision plat. In addition, Declarant reserves the right to alter Lot lines between Lots owned by it at any time.

Declarant expressly reserves unto itself, the right to make such amendments to any such plat or plats as shall be advisable in their best judgment and as shall be acceptable to public authorities having the right to approval thereof.

ARTICLE VI

COMMON AREAS

6.1 **GRANT OF COMMON AREAS.** The Association shall take title to the Common Areas (which are intended to be owned by the Association) free and clear of all encumbrances, except this Declaration and all other matters of record when conveyed by Declarant. The Covenants are hereby imposed upon the Common Areas for the benefit of the Declarant, the Association and the Record Owners, and their respective personal representatives, successors and assigns, to the end and intent that the Association shall have and hold the said Common Areas subject to the reservations set forth in Article V hereof, and to the Covenants herein set forth.

LIBER 8294 FOLIO 709

6.2 **MEMBER'S RIGHT OF ENJOYMENT.** Every member of the Association shall have a non-exclusive right and easement for the use, benefit and enjoyment, in common with others, in and to the Common Areas and such non-exclusive right and easement shall be appurtenant to and shall pass with the title to every Lot, subject to the restrictions herein set forth. If ingress or egress to any dwelling is through the Common Areas, any conveyance or encumbrance of such area is subject to such Owner's easement. Except as otherwise permitted by the provisions of this Declaration, the Common Areas shall be retained in its natural state, and no Structure or improvement of any kind shall be erected, placed or maintained thereon. Structures or improvements designed exclusively for community use, shelters, benches, chairs or other seating facilities, fences and walls, walkways, playground equipment, game facilities, drainage and utility structures, grading and planting, may be erected, placed and maintained thereon for the use, comfort and enjoyment of the members of the Association, or the establishment, retention or preservation of the natural growth or topography of the area, or for aesthetic reasons. No portion of the Common Areas may be used by any Record Owner or Owners for personal vegetable gardens, storage facilities or other private uses.

6.3 **NUISANCE.** No noxious or offensive activity shall be carried on upon the Common Areas nor shall anything be done thereon which will become an annoyance or nuisance to the Community.

6.4 **MAINTENANCE OBLIGATIONS OF THE ASSOCIATION.** The Association shall improve, develop, supervise, manage, operate, examine, insure, inspect, care for, repair, replace, restore and maintain the Common Areas together with any items of personal property placed or installed thereon and any area dedicated to a public or governmental entity if such entity fails to properly maintain such area, as from time to time improved, all at its own cost and expense, and shall levy against each member of the Association a proportionate share of the aggregate cost and expense required for the care, maintenance and improvement of the foregoing described areas, which proportionate share shall be determined based on the ratio which the number of Lots owned by the member bears to the total number of Lots then laid out or established on the Property. The foregoing obligations of the Association shall also include performing, at its own expense, any maintenance of any entrance monuments for the Community, including any such signs located within a public right-of-way or on a Lot.

6.5 **RESTRICTIONS.** The right of each member of the Association to use the Common Areas shall be subject to the following:

(a) any rule or regulation now or hereafter set forth in this Declaration and, further, shall be subject to any rule or regulation now or hereafter adopted by the Association for the safety, care, maintenance, good order and cleanliness of the Common Areas;

(c) the right of the Association to take such steps as are reasonably necessary to protect the property of the Association against mortgage default and foreclosure;

(d) the right of the Association to suspend the voting rights and the rights to use of the Common Areas after notice and a hearing for any period not to exceed sixty (60) days for any infraction of any of the published rules and regulations of the Association or of this Declaration;

LIBER 08294 FOLIO 710

(e) the right of the Association to dedicate or transfer all or any part of the Common Areas to any public or municipal agency, authority or utility for purposes consistent with the purpose of this Declaration and subject to such conditions as may be agreed to by the members; and further subject to the written consent of the County; provided, however, that no dedication, transfer, mortgage or determination as to the purposes or as to the conditions thereof, shall be effective unless two-thirds (2/3) of the Class A members of the Association consent to such dedication, transfer, purpose and conditions; and

(f) the right of the Association, acting by and through its Board of Directors, to grant licenses, rights-of-way and easements for access or for the construction, reconstruction, maintenance and repair of any utility lines or appurtenances, whether public or private, to any municipal agency, public utility, the Declarant or any other person; provided, however, that no such license, right-of-way or easement shall be unreasonably and permanently inconsistent with the rights of the members to the use and enjoyment of the Common Areas.

(g) All of the foregoing shall inure to the benefit of and be enforceable by the Association and the Declarant, or either of them, their respective successors and assigns, against any member of the Association, or any other person, violating or attempting to violate any of the same, either by action at law for damages or suit in equity to enjoin a breach or violation, or enforce performance of any term, condition, provision, rule or regulation. Further, the Association and the Declarant shall each have the right to abate summarily and remove any such breach or violation by any member at the cost and expense of such member.

6.6 DELEGATION OF RIGHT OF USE. Any member of the Association may delegate its rights to the use and enjoyment of the Common Areas to family members who reside permanently with such member and to its tenants, contract-purchasers, invitees and guests, all subject to such reasonable rules and regulations which the Association may adopt and uniformly apply and enforce.

6.7 RULES AND REGULATIONS. Each Record Owner shall fully and faithfully comply with the rules, regulations and restrictions applicable to use of the Common Areas, as such rules, regulations and restrictions are from time to time adopted by the Association for the safety, care, maintenance, good order and cleanliness of the Common Areas. Further, each Record Owner shall comply with the Covenants imposed by this Declaration on the use and enjoyment of the Common Areas.

ARTICLE VII

If any Structure or any part thereof, as a result of the initial construction and/or settlement and/or shifting of such Structure, encroaches upon an adjoining Lot or Common Area, there shall arise, without the necessity of any further or additional act or instrument, an easement for the encroachment in favor of the encroaching Owner, its heirs, personal representatives, successors and assigns. Such easement shall remain in effect for so long as the encroachment shall exist. The conveyance or other disposition of a Lot shall be deemed to include and convey, or be subject to, any easements arising under the provisions of this Article without specific or particular reference to such easement.

LIBER 8294 FOLIO 711

ARTICLE VIII

ASSESSMENTS FOR MAINTENANCE

8.1 COVENANT FOR MAINTENANCE ASSESSMENT. The Declarant for each Lot owned by it within the Property, hereby covenants, and each Record Owner, by acceptance of a deed hereafter conveying any such Lot to it, whether or not so expressed in such deed or other conveyance, shall be deemed to have covenanted and agreed to pay the Association (a) in advance, an annual assessment (the "Annual Assessment") equal to the member's proportionate share of the sum required by the Association, as estimated by the Board of Directors, for Annual Assessments or charges, and (b) Special Assessments or charges, for capital improvements ("Special Assessment"), such Annual and Special assessments and charges to be established and collected as hereinafter provided. The Annual and Special Assessments or charges shall be a charge and continuing lien upon each of the Lots against which the assessment is made in accordance with the terms and provisions of the Maryland Contract Lien Act, and this Article VIII shall be construed as a real covenant running with the Land and a contract of a lien under the terms of the said Act. Such assessments or charges, together with interest at a rate of eighteen percent (18%) per annum (unless such rate of interest is not legally allowable in which event the highest rate permitted by law shall be applicable), and costs and reasonable attorneys' fees incurred or expended by the Association in the collection thereof, shall also be the personal obligation of the Record Owner holding title to any Lot at the time when the assessment fell due or was payable. The personal obligation for any delinquent assessment or charge, together with interest, costs and reasonable attorneys' fees, however, shall not pass to the Record Owner's successor or successors in title unless expressly assumed by such successor or successors.

8.2 USE OF ASSESSMENTS. The assessments and charges levied by the Association shall be used exclusively for the purpose of promoting the recreation, health, safety, and welfare of the residents of the Community, and in particular for (a) the improvement and maintenance, operation, care, services and facilities related to the use and enjoyment of the Common Areas, including fees paid to any management agent; (b) the payment of taxes on the Common Areas (except to the extent that proportionate shares of such public charges and assessments on the Common Areas may be levied against all Lots laid out on the Property by the tax collecting authority so that the same is payable directly by the Record Owners thereof, in the same manner as real property taxes are assessed or assessable against the Lots); (c) the payment of insurance premiums on the Common Areas; (d) the costs of repair, replacement and additions to the Common Areas and improvements thereon; (e) the cost of obtaining, planting and thereafter maintaining street trees throughout the Community if required by the County, whether or not such street trees are located in the Common Areas; (f) the costs of utilities and other services which may be provided by the Association for the Community as may be approved from time to time by a majority of the members of the Association; (g) the cost of labor, equipment, insurance, materials, management and supervision incurred or expended in performing all of the foregoing; (h) the costs related to any storm water management facilities within the Community or off-site; and (i) the cost of funding all reserves established by the Association, including a general operating excess and a reserve for replacements.

8.3 MAXIMUM ANNUAL ASSESSMENT.

(a) Until January 1 of the year immediately following the conveyance of the first Lot to a Record Owner other than the Declarant or Builder, the maximum Annual Assessment shall be the aggregate of Five Hundred Dollars (\$500.00) for each Lot.

LIBER 8294 FOLIO 712

(b) From and after such date, the maximum Annual Assessment may be increased each year by not more than twenty percent (20%) of the maximum Annual Assessment for the previous year without a vote of the membership of the Association.

(c) From and after such date the maximum Annual Assessment may be increased above the twenty percent (20%) limitation specified in the preceding sentence only by a vote of two-thirds (2/3) of each class of members of the Association, voting in person or by proxy, at a meeting duly called for such purpose.

(d) The Board of Directors of the Association may fix the Annual Assessment or charges against each Lot at any amount not in excess of the maximum. Subject to the limitations set forth in this Section 8.3, and for the periods therein specified, the Association may change the maximum and the basis of the Assessments fixed by Section 8.3 hereof prospectively for any period provided that any such change shall have the assent of two-thirds (2/3) of each class of members of the Association, voting in person or by proxy, at a meeting duly called for such purposes.

8.4 SPECIAL ASSESSMENTS. In addition to the Annual Assessments authorized above, the Association may levy in any assessment year, a Special Assessment; applicable for that year only, for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of any capital improvement located on the Common Areas, including fixtures and personal property related thereto, and/or to meet any other deficit of the Association or any emergency or unforeseen expenses of the Association; provided that such Assessment shall first be approved by two-thirds (2/3) of the votes of each class of the members of the Association, voting in person or by proxy at a meeting duly called for such purpose.

8.5 COMMENCEMENT DATE OF ANNUAL ASSESSMENTS.

(a) The Annual Assessments as to any Lot shall commence on the date that the Lot is conveyed to any person other than the Declarant or Builder.

(b) Declarant and Builder and any Lot which the Declarant or Builder owns shall not be subject to any type of Assessment.

(c) The Annual Assessments shall be due and payable on a month basis on the first (1st) calendar day of each month, subject to the other provisions in this Declaration.

(d) The due date of any Special Assessment under Section 8.4 shall be fixed in the resolution authorizing such Special Assessment.

8.6 DUTIES OF THE BOARD OF DIRECTORS.

(a) Commencing with the first fiscal year of the Association, the Board of Directors shall determine the amount of the maintenance assessments annually, but may do so at more frequent intervals should circumstances so require. Upon resolution of the Board of Directors, installments of Annual Assessments may be levied and collected on a quarterly, semi-annual or annual basis rather than on the quarterly basis herein above provided for. Any member may prepay one or more installments of any maintenance assessment levied by the Association, without premium or penalty.

LIBER 08294 FOLIO 713

(b) The Board of Directors shall prepare, or cause the preparation of an annual operating budget for the Association, which shall provide, without limitation, for the management, operation and maintenance of the Common Areas. The Board of Directors of the Association shall make reasonable efforts to fix the amount of the annual maintenance assessment against each Lot for each assessment period at least thirty (30) days in advance of the beginning of such period and shall, at that time, prepare a roster of the Lots and the annual maintenance assessments applicable thereto which shall be kept in the office of the Association and shall be open to inspection by any Record Owner upon reasonable notice to the Board of Directors. Written notice of the annual maintenance assessments shall thereupon be sent to all members of the Association. The omission by the Board of Directors, before the expiration of any assessment period, to fix the amount of the annual maintenance assessment hereunder for that or the next period, shall not be deemed a waiver or modification in any respect of the provisions of this Article or a release of any member from the obligation to pay the annual maintenance assessment, or any installment thereof, for that or any subsequent assessment period; but the annual maintenance assessment fixed for the preceding period shall continue until a new maintenance assessment is fixed. The budget and assessments shall become effective unless a special meeting of the Association is duly held and at such special meeting the budget and the assessments are disapproved by at least a majority of the Class A members of the Association. No member may exempt itself from liability for maintenance assessments by abandonment of any Lot owned by such member or by the abandonment of such member's right to the use and enjoyment of the Common Areas.

(c) The Association shall, upon demand at any time, furnish to any Record Owner liable for assessment a certificate in writing signed by an officer of the Association setting forth whether said assessment has been paid. Such certificate shall be conclusive evidence of payment of any assessment therein stated as having been paid. A charge not to exceed ten dollars (\$10.00) may be levied in advance by the Association for each certificate so delivered.

8.7 ADDITIONAL ASSESSMENTS. Additional assessments may be fixed against any Lot only as provided for in this Declaration. Any such assessments shall be due as provided by the Board of Directors in making any such assessment.

8.8 NONPAYMENT OF ASSESSMENT. Any assessment or portion thereof not paid within thirty (30) days after the due date thereof shall be delinquent and shall bear interest from the date of delinquency at the rate of eighteen percent (18%) per annum (unless such rate of interest is not legally allowable in which event the highest rate permitted by law shall be applicable), and shall be subject to a late charge of Fifteen Dollars (\$15.00) or ten percent (10%) of the assessment, whichever is greater, and the Association shall have the right to declare the entire balance of the assessment and accrued interest thereon to be immediately due and payable. The Association may bring an action at law against the Record Owner personally obligated to pay the same, and/or without waiving any other right, at equity to foreclose the lien against the Lot in the same manner and subject to the same requirements as are specified by the law of Maryland for the foreclosure of mortgages or deeds of trust containing a power of sale or an assent to a decree, and there shall be added to the amount of such assessment the reasonable costs of preparing and filing the complaint of such action, and in the event that judgment is obtained, such judgment shall include interest on the assessment as above provided, late fees and reasonable attorneys' fees to be fixed by the court together with the cost of the action. No Record Owner may waive or otherwise escape liability for the assessments provided for herein by non-use of the Common Areas or abandonment of such Record Owner's Lot.

8.9 SUBORDINATION OF LIEN TO MORTGAGE. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage(s) or

LIBER 8294 FOLIO 714

deed(s) of trust now or hereafter placed upon the Lot subject to assessment; provided, however, that the sale or transfer of any Lot pursuant to mortgage or deed of trust foreclosure, or any proceeding in lieu thereof, shall extinguish the lien of such assessments as to payments which became due prior to such sale or transfer. Such sale or transfer shall not relieve such Lot from liability for any assessments thereafter becoming due, nor from the lien of any such future assessment.

8.10 ENFORCEMENT OF LIEN. The Association may establish and enforce the lien for any assessment, Annual, Special, or otherwise, pursuant to the provisions of the Maryland Contract Lien Act. The lien is imposed upon the Lot against which such assessment is made. The lien may be established and enforced for damages, interest, costs of collection, late charges permitted by law, and attorneys' fees provided for herein or awarded by a court for breach of any of the covenants herein.

8.11 EXEMPT PROPERTY. The Common Areas and all Lots owned by the Association or dedicated to and accepted by a public authority and all property owned by a charitable or non-profit organization exempt from taxation by the laws of the State of Maryland shall be exempt from the assessments created herein; provided, however, any Lot used for residential purposes shall be subject to assessment.

8.12 RESERVES FOR REPLACEMENTS.

(a) The Association shall establish and maintain a reserve fund for repairs and replacements of the Common Areas by the allocation and payment annually to such reserve fund of an amount to be designated from time to time by the Board of Directors. Such fund shall be conclusively deemed to be a common expense of the Association and may be deposited with any banking institution, the accounts of which are insured by an agency of the United States of America or may, in the discretion of the Board of Directors, be invested in obligations of, or fully guaranteed as to principal by, the United States of America.

(b) The Association may establish such other reserves for such other purposes as the Board of Directors may from time to time consider to be necessary or appropriate. The proportional interest of any member of the Association in any such reserves shall be considered an appurtenance of such Record Owner's Lot and shall not be separated from the Lot to which it appertains and shall be deemed to be transferred with such Lot.

8.13 INITIAL CAPITAL CONTRIBUTION. At settlement for each Lot, the sum equal to Two Hundred Dollars (\$200.00) shall be collected from each prospective member of the Association (other than the Declarant or Builder) for the purpose of start-up expenses and operating contingencies.

ARTICLE IX

INSURANCE AND CASUALTY LOSSES

9.1 TYPES OF INSURANCE MAINTAINED BY ASSOCIATION. The Board of Directors shall have the authority to and shall obtain the following types of insurance:

(a) insurance on all insurable improvements on the Common Areas against loss or damage by fire or other hazards, including extended coverage, vandalism, and malicious mischief in an amount sufficient to cover the full replacement cost of such improvements in the event of damage or destruction;

LIBER 08294 FOLIO 715

(b) a public liability insurance policy covering the Association, its officers, directors and managing agents, having at least a One Million Dollar (\$1,000,000.00) limit per total claims that arise from the same occurrence, including but not limited to liability insurance for the recreational facilities located in the Community, or in an amount not less than the minimum amount required by applicable law, ordinance or regulation;

(c) workers' compensation insurance, if and to the extent required by law; and

(d) fidelity bond or bonds covering all Directors, officers, employees and other persons handling or responsible for the funds of the Association, in such amounts as the Board of Directors deems appropriate.

4 9.2 PREMIUMS FOR INSURANCE MAINTAINED - BY ASSOCIATION.
Premiums for all insurance and bonds required to be carried under Section 9.1 hereof or otherwise obtained by the Association on the Common Areas shall be an expense of the Association, and shall be included in the Annual Assessments. Premiums on any fidelity bond maintained by a third party manager shall not be an expense of the Association.

9.3. DAMAGE AND DESTRUCTION OF COMMON AREAS.

(a) Immediately after any damage or destruction by fire or other casualty to all or any part of the insurable improvements on the Common Areas, the Board of Directors, or its agent, shall proceed with the filing and adjustment of all claims arising under the fire and extended coverage insurance maintained by the Association and obtain reliable estimates of the cost of repair or reconstruction of the damaged or destroyed improvements. Repair or reconstruction means repairing or restoring the improvements to substantially the same condition in which they existed prior to the fire or other casualty.

(b) Any damage or destruction to insurable improvements on the Common Areas shall be repaired or reconstructed unless at least seventy-five percent (75%) of the members present at a meeting of the membership held within ninety (90) days after the casualty shall decide not to repair or reconstruct.

(c) If, in accordance with subsection (b), the improvements are not to be repaired or reconstructed and no alternative improvements are authorized by the members, then and in that event the damaged Common Areas shall be restored to its natural state and maintained as an undeveloped portion of the Common Areas by the Association in a neat and attractive condition. In such event, any excess insurance proceeds shall be paid over to the Association for the benefit of the Property, which proceeds may be used and/or distributed as determined by the Board of Directors, in its discretion, or as otherwise provided in the Articles of Incorporation and/or the Bylaws of the Association.

9.4 REPAIR AND RECONSTRUCTION OF COMMON AREAS. If any improvements on the Common Areas are damaged or destroyed, and the proceeds of insurance received by the Association are not sufficient to pay in full the cost of the repair and reconstruction of the improvements, the Board of Directors shall, without the necessity of a vote of the members, levy a Special Assessment against all Record Owners in order to cover the deficiency in the manner provided in Article VIII hereof. If the proceeds of insurance exceed the cost of repair, such excess shall be retained by the Association and used for such purposes as the Board of Directors shall determine.

9.5 HAZARD INSURANCE ON IMPROVED LOTS. Each Record Owner of an improved Lot at all times shall maintain fire and extended coverage insurance or other

LIBER 8294 FOLIO 716

appropriate damage and physical loss insurance, in an amount equal to not less than one hundred percent (100%) of the current replacement value of the improvements on the Lot.

9.6 OBLIGATION OF LOT OWNER TO REPAIR AND RESTORE.

(a) In the event of any damage or destruction of the improvements on a Lot, the insurance proceeds from any insurance policy on an improved Lot, unless retained by a Mortgagee of a Lot, shall be applied first to the repair, restoration or replacement of the damaged or destroyed improvements. Any such repair, restoration or replacement shall be done in accordance with the plans and specifications for such improvements originally approved by the Declarant or the Architectural Review Committee; unless the Record Owner desires to construct improvements differing from those so approved, in which event the Record Owner shall submit plans and specifications for the improvements to the Architectural Review Committee and obtain its approval prior to commencing the repair, restoration or replacement. If any Mortgagee does not permit insurance proceeds to be used to restore any damaged or destroyed improvements, then the Record Owner of such Lot shall raze the improvements and return the Lot to its natural condition free of all debris.

(b) If any Record Owner of an improved Lot fails to maintain the insurance required by Section 9.5 of this Article, the Association may, but shall not be obligated to, obtain such insurance and pay any premiums required in connection with obtaining such insurance. Such Record Owner shall be personally liable to the Association for any costs incurred by the Association in obtaining such insurance, to the same extent as such Record Owner is liable for assessments levied against its Lot, and, upon the failure of the Record Owner to pay such costs within ten (10) days after such Record Owner's receipt of a written demand therefor from the Association, the Association may establish a lien therefor upon the Record Owner's Lot in accordance with and subject to the provisions of this Declaration applicable to an assessment lien.

ARTICLE X

RIGHTS OF MORTGAGEES

10.1 GENERAL.

(a) Regardless of whether a Mortgagee in possession of a Lot is its Record Owner, (i) such Mortgagee in possession shall have all of the rights under the provisions of this Declaration, the Plat, the Articles of Incorporation, the By-Laws and applicable law, which would otherwise be held by such Record Owner, subject to the operation and effect of anything to the contrary contained in its Mortgage, and (ii) the Association and each other Record Owner or person shall be entitled, in any matter arising under the provisions of this Declaration and involving the exercise of such rights, to deal with such Mortgagee in possession as if it were the Record Owner thereof.

(b) Any Mortgagee in possession of a Lot shall (subject to the operation and effect of the provisions of this Declaration, the Articles of Incorporation, the By-Laws and applicable law) bear all of the obligations under the provisions thereof which are borne by its Record Owner; provided, that nothing in the foregoing provisions of this Section shall be deemed in any way to relieve any Owner of any such obligation, or of any liability to such Mortgagee on account of any failure by such Record Owner to satisfy any of the same.

(4) Dissolve the Association or merge or consolidate it with any other entity or sell, lease exchange or otherwise transfer all or substantially all of the assets of the homeowners' association to any other entity.

12.2 ENFORCEMENT.

(a) Enforcement of this Declaration shall be by proceedings at law or in equity against any person or persons violating or attempting to violate any covenant, either to restrain the violation or to recover damages, or both. In acquiring title to any Lot in the Community, the purchaser or purchasers violating or attempting to violate any covenant, agree to reimburse the Association and/or any Record Owners for all costs and expenses for which it or they may incur as a result of the said violation or attempted violation, including but not limited to, court costs and attorneys' fees.

Nothing in this subsection shall apply to a civil or administrative proceeding which the Association commences or prosecutes with a court or administrative body or officer (a) to collect an Assessment, or enforce or foreclose a lien securing an Assessment, (b) otherwise to enforce the Association's rights or another person's obligations under the Declaration, By-Laws or Articles of Incorporation on account of a default or under any other provision of such documents, or (c) any action taken by the Declarant at any time or action undertaken by the Architectural Review Committee during the Development Period.

12.3 **NO WAIVER.** The failure or forbearance by the Association to enforce any covenant or restriction herein contained shall in no event be deemed a waiver of the right to do so thereafter.

12.4 **INCORPORATION BY REFERENCE ON RESALE.** In the event any Record Owner sells or otherwise transfers any Lot, any deed purporting to effect such transfer shall be deemed to contain a provision incorporating by reference the covenants, restrictions, servitudes, easements, charges and liens set forth in this Declaration, whether or not the deed actually so states.

12.5 **NOTICES.** Any notice required to be sent to any member or Record Owner under the provisions of this Declaration shall be deemed to have been properly sent when mailed, by ordinary mail, postage paid, to the last known address of the person who appears as member or Record Owner on the records of the Association at the time of such mailing.

LIBER 08294 FOLIO 720

12.9 **AMENDMENT.**

(a) This Declaration may be amended by an instrument which has been approved by no less than two-thirds (2/3) of Owners, provided, however, that during the Development Period, Declarant shall have the absolute unilateral right, power and authority to amend, modify, revise or change any of the terms or provisions of this Declaration, all as from time to time amended or supplemented and further, provided, that until the end of the Development Period, no amendment may alter or affect any rights granted hereunder to Declarant and/or the Architectural Review Committee without the prior written consent of Declarant. (b) An amendment or modification shall be effective when executed by the President or Vice-President and Secretary or Assistant Secretary of the Association who shall certify that the amendment or modification has been approved as herein above provided. The amendment shall be recorded in the Land Records of the County. Unless a later date is specified in any such instrument, any amendment to this Declaration shall become effective on the date of recording. For the purpose of recording such instrument, each Record Owner, other than the Declarant, hereby grants to the President or Vice-President and Secretary or Assistant Secretary of the Association an irrevocable power of attorney to act for and on behalf of each and every Record Owner in certifying, executing and recording said instrument. Notwithstanding anything to the contrary contained herein, in no event may any of Declarant's rights or privileges under the Articles of Incorporation or By-Laws of the Association or this Declaration be terminated, altered or amended without Declarant's prior written consent.

12.10 MODIFICATIONS OF PLAT AND/OR SITE DEVELOPMENT PLAN; IRREVOCABLE LIMITED POWER OF ATTORNEY. During the Development Period, the Declarant, for itself and its successors and assigns reserves the sole and exclusive right to alter, amend and change any Lot lines as set forth on the Plat and to make any changes deemed desirable by Declarant on the Plat and/or Site Development Plan ("SDP"), without obtaining the consent of any other Owner or interested party. EACH OWNER, BY ACCEPTANCE OF TITLE TO ANY LOT IN THE COMMUNITY HEREBY MAKES, CONSTITUTES AND APPOINTS DECLARANT AS OWNER'S ATTORNEY-IN-FACT TO EXECUTE SUCH INSTRUMENTS AND DOCUMENTS AS MAY BE NECESSARY TO EFFECTUATE ANY ALTERATION, AMENDMENT AND/OR CHANGE TO THE PLAT AND/OR SDP, AS THE CASE MAY BE. THIS POWER OF ATTORNEY IS IRREVOCABLE. IN THE EVENT OWNER IS REQUIRED TO EXECUTE ANY DOCUMENTS IN CONNECTION WITH THIS POWER OF ATTORNEY, THE OWNER SHALL DO SO AT THE REQUEST OF DECLARANT WITHOUT DELAY.

12.11 SCRIVENER'S ERROR. Anything contained in the provisions of the Declaration to the contrary notwithstanding, the Declarant may, without obtaining the consent of any Owner, Mortgagee or other person, amend this Declaration or the Plat if such amendment is (in the Declarant's reasonable opinion) necessary to correct obvious typographical, mathematical, minor or similar errors therein.

12.12.1 Neither Declarant nor Builder shall assume or be responsible for any liabilities, warranties or obligations which have or may accrue to the other, including, but not limited to, any liabilities, warranties or obligations concerning any Lots, Common Areas, buildings or other improvements constructed, or to be constructed, by or on behalf of the other,

LIBER 08294 FOLIO 721

Declarant shall not assume or be responsible for and Lot Owner and the Association expressly waive any and all claims against Declarant for any liabilities, warranties or obligations which have or may accrue to Builder or any assignee under the Declaration or pursuant to law in connection with Builder's or any assignee's status as Declarant under the Declaration or development of all or any real property subjected, or to be subjected, to the Declaration, including, but not limited to, any liabilities, warranties or obligations concerning any Common Area, Lots, dwelling units or other improvements constructed, or to be constructed, by or on behalf of Builder or any assignee;

12.12.3 Builder makes no representation or warranty whatsoever, whether express or implied, with respect to any Lots, Common Areas, buildings or other improvements constructed or sold by parties other than Builder, nor has Builder authorized any other party to make any such representation or warranty, and such other parties are without legal authority to enforceably make any such representation or warranty. direct, mutual and reciprocal benefit of each and every of the aforesaid Lots. This Declaration
shall create reciprocal rights and obligations between and/or among the respective owners of
the aforesaid Lots, and their respective personal representatives, successors and assigns.

2. The parties hereto agree that should any of the aforesaid Lots be sold under a
foreclosure of the aforementioned mortgagee by deed in lieu of foreclosure of sale by a trustee
in bankruptcy or other sales under distress, such sales or conveyances will be subject to this
Declaration.

3. The owners of Lots 14 through and including 19 shown on the Plat shall each
have the right to use the area shown on the Plat as "24' Use-in-Common Access Esmt. For Lots
15-18" (the "Common Access Area") for ingress and egress to and from their Lots; provided,
however, Lots 14 and 19 will have the optional right to use the Common Access Area if such
Lots use the Common Access Area for ingress and egress to and from such Lots. Each Lot
owner who uses the Common Access Area shall be responsible for their respective pro rata
share (calculated by dividing one over the number of Lots using the Common Access Area) for
costs of maintaining the Common Access Area in good condition for all weather use so as to
provide safe access for emergency vehicles to all Lots in the Subdivision. Therefore, if Lots 14
through and including 19 use the Common Access Area then each would be one-sixth (1/6th) of
the costs of maintaining the Common Access Area.
